## ***Discipling Disciples to Disciple***

---

**Can you see ...**

**Where we are**

- **Churches plateaued and declining**
- **Sunday School declining**
- **Baptisms declining**
- **Churches struggling**
- **Having little significant impact on our culture**

## ***Discipling Disciples to Disciple***

---

**Can you see ...**

**Where we *might* be if nothing changes?**

- **Churches closing because of declining membership and dwindling finances;**
- **Churches struggling because of limited leadership;**
- **Communities and neighborhoods submerged in darkness;**
- **A coastal population lost and facing eternity without Jesus;**
- **Dry bones reminiscing more about the past than planning for the future.**

## ***Discipling Disciples to Disciple***

---

**Can you see ...**

**Where we *CAN* be?**

- **Churches that have a consuming passion for lostness;**
- **Disciples “Telling the story of Jesus” and discipling new disciples;**

## ***Discipling Disciples to Disciple***

---

**For Instance...**

- **If each of our 3600 prayer warriors would tell 1 person per week about Jesus...**
- **187,200 people would hear about Jesus in 2012 on the coast**
- **Think about how many people would be**
  - Born into the Kingdom**
  - Disciplined in our churches**
  - Learning to share their faith**
  - Learning to tithe**
  - Becoming leaders**

## ***Discipling Disciples to Disciple***

---

**Can you see ...**

**Where we *can* be?**

- **New works begun because of the increasing number of new disciples;**
- **Churches equipping leaders to make disciples;**
- **An association that celebrates with heavenly enthusiasm the victories God gives;**
- **A coast where the culture is changed from one of lostness to redemption; from a culture of darkness to light.**

## ***Discipling Disciples to Disciple***

---

**Can you commit to Kingdom growth...**

**Personally as a Disciple**

**Through your Church**

**Through this association to reach  
this coast and the world for Christ**
